Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments
- Claiming the wrong amount of standard deduction or itemized deductions
- Making tax computation errors
- Calculating the wrong amount of total credits

To avoid errors and help process your tax return faster, use these helpful hints when preparing your tax return.

Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and search for **myftb account** to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2009 tax return you requested to be applied to your 2010 estimated tax.
- If the FTB records do not match the amount of estimated tax payments claimed, a "Return Information Notice" will be sent explaining the difference.

Claiming standard deduction or itemized deductions:

- See Form 540/540A, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

Computing your tax:

- Verify the total tax amount on Form 540/540A, line 64 is calculated correctly.
- Go to ftb.ca.gov and search for **tax calculator** to compute your tax with the tax calculator or with the tax tables.
- Locate the correct tax amount from the tax table (page 57) and transfer it to your tax return correctly.
- Verify any affected schedule to ensure that the total tax amount is correctly transferred over.

Calculating total credits:

- Verify the total credits on Form 540/540A, line 47 to ensure the amount is calculated correctly.

By using the helpful hints above, you assist in preventing delays in processing your tax return and unnecessary account adjustments.

Do I Have to File?

Steps to Determine Filing Requirement

Step 1: Is your gross income (all income received from all sources in the form of money, goods, property, and services that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted Gross Income chart below for your filing

status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart you may still have a filing requirement. See "Requirements for Children with Investment Income" and "Other Situations When You Must File" on this page. Do those instructions apply to you? If yes, you have a filing requirement. If no, go to Step 4.

Step 4: Are you married/registered domestic partner (RDP) filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

Requirements for Children with Investment Income

For taxable years beginning on or after January 1, 2010, California law conforms to federal law which allows parents' election to report a child's interest and dividend income from children under age 19 or a student under age 24 on their tax return. For each child under age 19 or student under age 24 who received more than \$1,900 of investment income in 2010, complete Form 540 and form FTB 3800, Tax Computation for Certain Children with Investment Income, to figure the tax on a separate Form 540 for your child.

If you qualify, you may elect to report your child's income of \$9,500 or less (but not less than \$950) on your tax return by completing form FTB 3803, Parents' Election to Report Child's Interest and Dividends. To make this election, your child's income must be **only** from interest and/or dividends. To get form FTB 3800 or FTB 3803, see "Order Forms and Publications" on page 63 or go to ftb.ca.gov.

Other Situations When You Must File

If you have a tax liability for 2010 or owe any of the following taxes for 2010, you must file Form 540.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account (MSA).
- Tax for children under age 19 or student under age 24 who have investment income greater than \$1,900 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are in a same-sex marriage or a registered domestic partnership (RDP). If you are a same-sex married individual or an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are a same-sex married individual or an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Exception: If you file a joint tax return for federal purposes, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2010.
- A nonresident for the entire year and had no income from California sources during 2010.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California that you would have used to file a federal income tax return.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2010, file the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Single

You are single if **any** of the following was true on December 31, 2010:

- You were not married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2010, and did not remarry or enter into another registered domestic partnership in 2010.

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married or an RDP as of December 31, 2010, even if you did not live with your spouse/RDP at the end of 2010.
- Your spouse/RDP died in 2010 and you did not remarry or enter into another registered domestic partnership in 2010.
- Your spouse/RDP died in 2011 before you filed a 2010 return.

Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, FTB Pub. 776, Tax Information for Same-Sex Married Couples, FTB Pub. 1051A, Guidelines for Married/RDP Filing Separate Returns, or FTB Pub. 1032, Tax Information for Military Personnel. See "Order Forms and Publications" on page 63.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person's tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2010.

Head of Household

For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, California Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified

relative. You may be entitled to use head of household filing status if all of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2010.
- You paid more than one-half the cost of keeping up your home for the year in 2010.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

For more information, get FTB Pub. 1540 at ftb.ca.gov or see code **934** on page 63 to order FTB Pub.1540 by telephone.

Qualifying Widow(er) with Dependent Child

Fill in the circle on Form 540/540A, line 5 and use the joint return tax rates for 2010 if **all** five of the following apply:

- Your spouse/RDP died in 2008 or 2009 and you did not remarry or enter into another registered domestic partnership in 2010.
- You have a child, stepchild, adopted child, or foster child whom you claim as a dependent.
- This child lived in your home for all of 2010. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

What's New and Other Important Information for 2010

Differences between California and Federal Law

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Conformity – For updates regarding the following federal acts, go to ftb.ca.gov and search for **conformity**.

- Health Care and Education Reconciliation Act of 2010.
- Patient Protection and Affordable Care Act.
- Small Business Jobs Act of 2010.

2010 Tax Law Changes/What's New

Net Operating Loss – For taxable years beginning in 2010 and 2011, California suspended the net operating loss (NOL) carryover deduction. Taxpayers may continue to compute and carryover NOLs during the suspension period. However, taxpayers with modified adjusted gross income of less than \$300,000 or with disaster loss carryovers are not affected by the NOL suspension rules.

Also, California modified the NOL carryback provision. For more information, see form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations — Individuals, Estates, and Trusts.

Mortgage Forgiveness Debt Relief Extended – California law conforms, with modifications, to federal mortgage forgiveness debt relief for discharges occurring on or after January 1, 2009. Federal law limits the amount of qualified principal residence indebtedness to \$2,000,000 (\$1,000,000 for married filing separate). See federal Publication 544, Sales and Other Disposition of Assets, and federal Publication 4681, Canceled Debts, Foreclosures, Repossessions, and Abandonment, for more information. California law limits the amount of qualified principal residence indebtedness to \$800,000 (\$400,000 for married/RDP filing separate) and debt relief to \$500,000 (\$250,000 for married/RDP filing separate).

Hokie Spirit Memorial Fund Exclusion – California law conforms to federal law to exclude from income any amount received from the Hokie Spirit Memorial Fund for the events at Virginia Polytechnic Institute and State University on April 16, 2007.

Income Exclusion of Federal Energy Grants – California law conforms to federal law to exclude from income any federal energy grants provided in lieu of federal energy credits.

Charitable Contributions for 2010 Haiti Earthquake Disaster – California law conforms to federal law which allows a 2009 charitable contribution deduction for cash contributions made after January 11, 2010, and before March 1, 2010, for the relief of victims in areas affected by the earthquake in Haiti on January 12, 2010.

Tax Computation for Certain Children with Investment Income – For taxable years beginning on or after January 1, 2010, California conforms to the provision

of the Small Business and Work Opportunity Tax Act of 2007 which increased the age of children to 18 and under or a student under age 24 for elections made by parents reporting their child's interest and dividends.

Income Exclusion for In-Home Supportive Services (IHSS) Supplementary Payments – For taxable years beginning on or after January 1, 2010, California law allows an exclusion from gross income for IHSS supplementary payments received by IHSS providers.

New Home/First-Time Buyer Credit – To claim the New Home/First-Time Buyer Credit of 2010 you must have received a Certificate of Allocation from the FTB. The credits were available if you purchased a qualified principal residence on or after May 1, 2010, and on or before December 31, 2010. Additionally, the New Home Credit is available if you purchase a qualified principal residence on or after January 1, 2011, and before August 1, 2011, pursuant to an enforceable contract executed on or before December 31, 2010. For more information, go to ftb.ca.gov and search for **home credit** or get FTB Pub. 3549, New Home/First-Time Buyer Credit.

Backup Withholding – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the IRS are also required to withhold and remit to the FTB. The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release of loan funds made in the normal course of business are exempt from backup withholding.

If the payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number, which is either the social security number (SSN) or the individual taxpayer identification number (ITIN), before filing the tax return. Failure to provide the SSN or ITIN may result in a denial of the backup withholding credit. For more information, go to ftb.ca.gov and search for **backup withholding**.

Natural Heritage Preservation Credit – The funding for the Natural Heritage Preservation Credit is available beginning January 1, 2010, until June 30, 2015.

Same-Sex Marriages Outside the State of California – On October 11, 2009, the Governor signed Senate Bill 54, which provides that a marriage between two persons who have entered into a same-sex marriage outside the State of California prior to November 5, 2008, that was valid by the laws of the jurisdiction in which the marriage was contracted, is valid in California. The bill also provides that a marriage between two persons who have entered into a same-sex marriage outside the State of California on or after November 5, 2008, that was valid by the laws of the jurisdiction in which the marriage was contracted have the same rights and responsibilities as spouses with the sole exception of the designation of "marriage."

Consequently, beginning in taxable year 2010, persons who have entered into a same-sex marriage outside the State of California that is valid according to the laws of the jurisdiction in which the marriage was contracted must file their California income tax return using either the joint or separate filing status. For more information, get FTB Pub. 776, Tax Information for Same-Sex Married Couples, or go to ftb.ca.gov and search for **same sex married couples**.

Voluntary Contributions – For taxable years beginning on or after January 1, 2010, you may contribute to the following new funds:

- Arts Council Fund
- CA Police Activities League (CALPAL) Fund
- CA Veterans Homes Fund
- Safely Surrendered Baby Fund

(continued on page 6)

Other Important Information

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**.

Estimated Tax Payments – Installments due for each taxable year beginning on or after January 1, 2010, shall be 30% of the required annual payment for the 1st required installment, 40% of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and 30% of the required annual payment for the 4th required installment.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

Registered Domestic Partners (RDP) – Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Same-Sex Married Couples – Married couples must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. Same-sex couple marriages performed in California after 5:00 pm on June 16, 2008, and before November 5, 2008, are valid marriages for California purposes.

Beginning in taxable year 2010, persons who have entered into a same-sex marriage outside the State of California that is valid according to the laws of the jurisdiction in which the marriage was contracted must file their California income tax return using either the joint or separate filing status. For more information, get FTB Pub 776, Tax Information for Same-Sex Married Couples or go to ftb.ca.gov and search for **same sex married couples**.

Direct Deposit Refund – You can request a direct deposit refund on your tax return whether you e-file or file a paper tax return. Be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy to avoid it being rejected by your bank.

ReadyReturn – If your filing status is single or head of household and your income is only from wages, you may qualify for ReadyReturn. It simplifies the filing process by pre-filing a tax return with information the state already has. For more information and to see if you qualify, go to ftb.ca.gov and search for **readyreturn** or call 800.338.0505.

Withholding on California Real Estate – For transactions occurring on or after January 1, 2007, that require withholding, a seller of California real estate may elect an alternative to withholding 3 1/3% (.0333) of the total sales price. The seller may elect an alternative withholding amount based on the maximum tax rate for individuals, corporations, or banks and financial corporations, as applied to the gain on the sale. The seller is required to certify under penalty of perjury the alternative withholding amount to the FTB. For installment sales occurring on or after January 1, 2009, the buyer is required to withhold on each installment sale payment if the sale of California real property is structured as an installment sale.

Tax Shelter – If the individual was involved in a reportable transaction, including a listed transaction, the individual may have a disclosure requirement. Attach federal Form 8886, Reportable Transaction Disclosure Statement, to the back of the California tax return along with any other supporting schedules. If this is the first time the reportable transaction is disclosed on the tax return, send a duplicate copy of the federal Form 8886 to the address below. The FTB may impose penalties if the individual fails to file federal Form 8886, or fails to provide any other required information. A material advisor is required to provide a reportable transaction number to all taxpayers and material advisors for whom the material advisor acts as a material advisor.

Instructions for Form 540/540A — California Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and the California Revenue and Taxation Code (R&TC).

Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, or Form 1040EZ) before you begin your California Form 540/540A. Use information from your federal income tax return to complete your Form 540/540A. Complete and mail Form 540/540A by April 15, 2011. Due to the federal Emancipation Day holiday on April 15, 2011, tax returns filed and payments received on April 18, 2011, will be considered timely. If unable to mail your tax return by the due date, see page 2.

You may qualify for the federal earned income credit. See page 2 for more information. No comparable state credit exists.

Note: The lines on Form 540/540A are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Form 540/540A, so the line number that follows line 19 on Form 540/540A is line 31.

Caution: Form 540 has three sides. If filing Form 540, you must send all three sides to the Franchise Tax Board (FTB).

Filing in Your Tax Return

- Use black or blue ballpoint pen on the tax return you send to the FTB.
- Enter your social security number(s) (SSN) or individual taxpayer identification number(s) (ITIN) at the top of Form 540/540A, Side 1.
- Print numbers and CAPITAL LETTERS between the combed lines. Be sure to line up dollar amounts.
- If you do not have an entry for a line, leave it blank unless the instructions for a line specifically tell you to enter -0-. **Do not** enter a dash, or the word "NONE."

Name(s) and Address

Print your first name, middle initial, last name, and address in the spaces provided at the top of Form 540/540A.

Principal Business Activity (PBA) Code (Form 540 only)

For federal Schedule C (Form 1040) business filers, enter the numeric PBA code from federal Schedule C (Form 1040), line B.

Date of Birth (DOB)

Enter your DOBs (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

If you do not have an SSN because you are a nonresident or resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space for the SSN. An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

Filing Status

Line 1 through Line 5 – Filing Status

Fill in only one of the circles for line 1 through line 5. Enter the required additional information if you filled in the circle on line 3 or line 5. For filing status requirements, see page 3.

Use the same filing status for California that you used for your federal income tax return.

Exception: If you file a joint tax return for federal, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2010.
- A nonresident for the entire year and had no income from California sources during 2010.

Caution – Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Same-sex married individuals or registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2010, you **must file** the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Line 8 – Blind Exemptions

The first year you claim this exemption credit, attach a doctor's statement to the back of Form 540/540A indicating you or your spouse/RDP are visually impaired. Visually impaired means not capable of seeing better than 20/200 while wearing glasses or contact lenses, or if your field of vision is not more than 20 degrees.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

Line 9 – Senior Exemptions

If you were 65 years of age or older by December 31, 2010,* you should claim an additional exemption credit on line 9. If you are married or an RDP, each spouse/RDP 65 years of age or older should claim an additional credit. You may contribute all or part of this credit to the California Seniors Special Fund. See page 22 for information about this fund.

*If your 65th birthday is on January 1, 2011, you are considered to be age 65 on December 31, 2010.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

If you received wages and do not have a Form W-2, see “Attachments to your tax return” on page 17.

Line 13 – Federal Adjusted Gross Income (AGI) from Form 1040, line 37; 1040A, line 21; or 1040EZ, line 4

Same-sex married couples (SSMCs) or RDPs who file a California tax return as married/RDP filing jointly and have no SSMC adjustments or RDP adjustments between federal and California, combine their individual AGIs from their federal tax returns filed with the IRS. Enter the combined AGI on Form 540/540A, line 13.

SSMC adjustments and RDP adjustments include but are not limited to the following:

- Transfer of property between spouses/RDPs

Same-sex married individuals filing as married/RDP filing separately, former spouses of a same-sex marriage filing separately, and SSMCs with SSMC adjustments will use the California SSMC Adjustment Worksheet in FTB Pub. 776, Tax Information for Same-Sex Married Couples, or complete a federal pro forma Form 1040. Transfer the amount from the California SSMC Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

RDPs filing as married/RDP filing separately, former RDPs filing separately, and RDPs with RDP adjustments will use the California RDP Adjustments Worksheet in FTB Pub. 737, Tax Information for Registered Domestic Partners, or complete a federal pro forma Form 1040. Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

Line 14 (Form 540) – California Adjustments – Subtractions [from Schedule CA (540), line 37, column B]

If there are no differences between your federal and California income or deductions, do not file a Schedule CA (540), California Adjustments — Residents.

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 43. Enter on line 14 the amount from Schedule CA (540), line 37, column B. If a negative amount, see Schedule CA (540), line 37 instructions, page 48.

Line 14a (Form 540A) – State Income Tax Refund

Enter the amount of any state income tax refund shown on your federal Form 1040, line 10. If you filed federal Forms 1040A or 1040EZ, enter -0-.

Line 14b (Form 540A) – Unemployment Compensation

Enter the total of any unemployment compensation and/or Paid Family Leave Insurance benefits reported on federal Form(s) 1099-G, Certain Government Payments, and reported on your federal Form 1040A, line 13; Form 1040, line 19; or Form 1040EZ, line 3.

Line 14c (Form 540A) – Social Security Benefits (and Tier 1 or Tier 2 Railroad Retirement Benefits)

- Enter the amount of U.S. social security benefits or equivalent tier 1 railroad retirement benefits reported on federal Form 1040A, line 14b or Form 1040, line 20b.

- Enter the amount of tier 1 (non-social security equivalent) and tier 2 railroad retirement benefits included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b.

Do not include any other pension amounts on this line. If you filed Form 1040EZ, enter -0-.

Line 14d (Form 540A) – California Nontaxable Interest or Dividend Income

California does not tax interest earned from:

- United States savings bonds.
- United States Treasury bills, notes, and bonds.
- Bonds or obligations of United States territories, and government agency obligations specifically exempted by federal law.

Enter only the amount of interest that you received from these sources and that you included in the amount reported on your federal Form 1040A, line 8a; Form 1040, line 8a; or Form 1040EZ, line 2.

Interest from municipal or state bonds from a state other than California: This interest is taxed by California. You may not use Form 540A. Use Form 540 or e-file.

Interest from Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporation (FHLMC) securities: This interest is taxed by California. Do not enter it on line 14d.

Exempt-interest dividends from mutual funds: Certain mutual funds are qualified to pay “exempt-interest dividends” if at least 50% of their assets consist of tax-exempt government obligations. The portion of the dividends that are tax-exempt will be shown on your annual statement from the mutual fund. If the amount of California tax-exempt interest is more than the amount of federal tax-exempt interest, enter the difference on line 14d. If the amount of California tax-exempt interest is less than the amount of federal tax-exempt interest, you may not use Form 540A. Use Form 540 or e-file.

Line 14e (Form 540A) – California Individual Retirement Account (IRA) Distributions

Differences may exist between the taxable amounts of federal and California IRA distributions, pensions, and annuities. Enter any differences on line 14e and line 14f.

You cannot use Form 540A if you have Roth IRA conversions or distributions. Use Form 540 or e-file.

The method of taxing IRA distributions is generally the same for California and federal purposes. However, there may be significant differences in the taxable amount depending on when you made your contributions.

The maximum IRA contribution allowed as a deduction for California was less than the maximum amount allowed for federal for years 1975 and 1982 through 1986. If you made contributions during these years, report the difference between the deduction you took for federal and the deduction you took for California on this line. For more information, get FTB Pub. 1005, Pension and Annuity Guidelines. See “Order Forms and Publications” on page 63.

Report the difference between your California and your federal taxable IRA distributions on line 14e. Attach Form 1099-R to your Form 540A if tax was withheld.

Line 14f (Form 540A) – Non-taxable Pensions and Annuities

Generally, you will not make any adjustments on this line. You should not make an adjustment solely because the pension was earned in another state. Federal and State tax laws require California residents to pay state income tax on all taxable pensions, regardless of where they were earned. However, California law treats railroad retirement benefits differently. If you received tier 2 railroad retirement benefits, tier 1 (non-social security equivalent) (included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b), or partially taxable distributions from a pension plan, you may need to make the adjustment described on this page.

If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in federal AGI on line 13, enter the taxable benefit amount on line 14f.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and you elected to use the three-year recovery rule for California, make an adjustment because your federal taxable amount is less than your California taxable amount. Figure the difference between the gross distribution shown on your Form 1099-R, box 1 and the taxable

amount shown in box 2a. Enter the difference in parentheses on line 14f. For example: “(12,325).”

If you received a lump-sum distribution from a profit sharing or retirement plan and choose the 10-year averaging method you may pay less tax on the distribution. To use this method file Form 540. See the instructions for Form 540 and get Schedule G-1, Tax on Lump-Sum Distributions (not in this booklet), for more information. See “Order Forms and Publications” on page 63.

California law now conforms to certain provisions of the Internal Revenue Code (IRC) related to pension plans and deferred compensation, as those provisions apply for federal purposes including amendments to the IRC that may be enacted in the future.

Line 14g (Form 540A) – Total California Income Adjustments

Combine line 14a through line 14f. If the result is less than zero, enter the amount in parentheses. For example, “(13,325).”

Line 15 (Form 540) – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the result in parentheses. For example: “(12,325).”

Line 16 (Form 540) – California Adjustments – Additions [from Schedule CA (540), line 37, column C]

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 43. Enter on line 16 the amount from Schedule CA (540), line 37, column C. If a negative amount, see Schedule CA (540), line 37 instructions, page 48.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your charitable contributions, medical expenses, interest paid, taxes, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of:

- Your California itemized deductions.
- Your California standard deduction.

California itemized deductions may be limited based on federal AGI. To compute limitations, use Schedule CA (540). RDPs use your recalculated federal AGI to figure your itemized deductions.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses or new motor vehicle taxes paid. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions. California does not allow deductions for new motor vehicle taxes.

If married or an RDP and filing separate tax returns, you and your spouse/RDP must either both itemize your deductions or both take the standard deduction.

Form 540 – If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540 – California Standard Deduction Worksheet for Dependents on this page.

Form 540A – If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540A – California Standard Deduction Worksheet for Dependents on this page.

Form 540 – Itemized deductions. Figure your California itemized deductions by completing Schedule CA (540), Part II, line 38 through line 44. Enter the result on Form 540, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540, first complete a sample federal Schedule A (Form 1040), Itemized Deductions. Then complete Schedule CA (540), Part II, line 38 through line 44. Attach both the federal Schedule A (Form 1040) and California Schedule CA (540) to the back of your tax return.

Form 540A – Itemized deductions. Figure your California itemized deductions by completing the Form 540A – California Itemized Deductions Worksheet on the next page. Enter the result on Form 540A, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540A, first complete a federal Schedule A (Form 1040), Itemized Deductions. Then complete the Form 540A – California Itemized Deductions Worksheet on the next page. **Do not** attach federal Schedule A (Form 1040) to your Form 540A.

Standard deduction. Find your standard deduction on the California Standard Deduction Chart for Most People on this page. If you filled in the circle on Form 540/540A, line 6, use the California Standard Deduction Worksheet for Dependents on this page.

Income received under IRC Section 409A is subject to an additional 20% tax plus interest. Include the additional tax, if any, on line 63. Write “NQDC” on the dotted line to the left of the amount.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. If SDI (or VPD) was withheld from your wages by a single employer, at more than 1.1% of your gross wages, you may not claim excess SDI (or VPD) on your Form 540/540A. Contact the employer for a refund.

To determine the amount to enter on line 74, complete the Excess SDI (or VPD) Worksheet below. If married/RDP filing jointly, figure the amount of excess SDI (or VPD) separately for each spouse/RDP.

Excess SDI (or VPD) Worksheet Use whole dollars only.		
	You	Your Spouse/RDP
1. Add amounts of SDI (or VPD) withheld shown on your Forms W-2. Enter the total here

Line 75 and Line 76

Enter the qualifying person's SSN. Do not enter more than one qualifying person's SSN on line 75 or line 76 from form FTB 3506, Part III, line 2. If you have more than two qualifying persons, enter only the first two qualifying persons listed on form FTB 3506, Part III, line 2.

Line 78

Line 79 (Form 540)

For the Claim of Right credit, follow the reporting instructions in Schedule CA (540), line 41 under the Claim of Right.

Claim of Right: If you are claiming the tax credit on your California tax return, include the amount of the credit in the total for this line. Write in "IRC 1341" and the amount of the credit to the left of the amount column.

To determine if you are entitled to this credit, refer to your prior year California Form 540/540A, Form 540NR (Long or Short), or Schedule CA (540 or 540NR) to verify the amount was included in your CA taxable income. If the amount repaid under a "Claim of Right" was not originally taxed by California, you are not entitled to claim the credit.

Overpaid Tax or Tax Due

If you received a refund for 2009, you may receive a federal Form 1099-G. The refund amount reported on your federal Form 1099-G will be different from the amount shown on your tax return if you claimed the Child and Dependent Care Expenses Credit. This is because the credit is not part of the refund from withholding or estimated tax payments.

To avoid delay in processing of your tax return, enter the correct amounts on line 91 through line 94.

Line 91 – Overpaid Tax

Form 540 – If the amount on line 79 is more than the amount on line 64, your payments and credits are more than your tax. Subtract the amount on line 64 from the amount on line 79. Enter the result on line 91.

Form 540A – If the amount on line 79 is more than the amount on line 70, your payments and credits are more than your tax. Subtract the amount on line 70 from the amount on line 79. Enter the result on line 91.

Choose e-file and Direct Deposit and get your refund faster.

Line 92 – Amount You Want Applied to Your 2011 Estimated Tax

Apply all or part of the amount on line 91 to your estimated tax for 2011. Enter on line 92 the amount of line 91 that you want applied to your 2011 estimated tax.

An election to apply an overpayment to estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

Line 93 – Overpaid Tax Available This Year

If you entered an amount on line 92, subtract it from the amount on line 91. Enter the result on line 93. Choose to have this entire amount refunded to you, make contributions to the California Seniors Special Fund (see page 22), or make other voluntary contributions from this amount. If you make a contribution, skip line 94 and go to the Use Tax section of the tax return.

Line 94 – Tax Due

Form 540 – If the amount on line 79 is less than the amount on line 64, subtract the amount on line 79 from the amount on line 64. Enter the result on line 94. Your tax is more than your payments and credits.

Form 540A – If the amount on line 79 is less than the amount on line 70, subtract the amount on line 79 from the amount on line 70. Enter the result on line 94. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 94 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 71 is less than 90% of the amount of your total tax on line 64.

If this applies to you, see instructions on line 113.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. Get this form from your employer or by

calling EDD at 888.745.3886. Download the DE 4 at edd.ca.gov or to use the online calculator, go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Allowance Certificate.

Use Tax

Line 95 – Use Tax. This is not a total line.

California use tax applies to purchases from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). For questions on whether a purchase is taxable, go to State Board of Equalization's website at boe.ca.gov, or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Note: The following taxpayers are required to report purchases subject to use tax directly to the State Board of Equalization and may not report use tax on their income tax return:

- Businesses that have a California seller's permit.
- Businesses that are not required to hold a California seller's permit, but receive at least \$100,000 in gross receipts.
- Individuals or businesses that have a California consumer use tax account.

If you are not required to report purchases subject to use tax directly to the State Board of Equalization, you may report use tax on your income tax return. To report use tax on your income tax return, complete the Use Tax Worksheet below.

If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. For information on reporting use tax directly to the State Board of Equalization, go to their website at boe.ca.gov.

Failure to timely report and pay the use tax due may result in the assessment of penalties.

See page 19 for a general explanation of California use tax.

- If you traveled to a foreign country and carried items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

Note: Report and pay any use tax you owe on the following purchases directly to the State Board of Equalization, **not** on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.

- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. If you do not know the applicable city or county sales and use tax rate, please go to the State Board of Equalization's website at boe.ca.gov and click on City and County Tax Rates or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states on purchases reported on Line 1. You can claim a credit up to the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Contributions

You can make voluntary contributions to the funds listed on Form 540, Side 3 or Form 540A, Side 2. See page 22 for a description of the funds.

Amount You Owe

Add or subtract correctly to figure the amount you owe.

Line 111 – Amount You Owe

If you have an amount on line 94, add the amount on line 94, line 95, and line 110, if any. Enter the result on line 111.

If you have an amount on line 93, subtract line 95 and line 110 from line 93. If the combined amount of line 95 and line 110 is more than line 93, enter the difference on line 111.

To avoid a late filing penalty, file your Form 540/540A by the extended due date even if you cannot pay the amount you owe.

Mandatory Electronic Payments. You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**.

Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to ftb.ca.gov and search for **web pay**.
- **Credit Card** – Use your Discover/Novus, MasterCard, Visa, or American Express card to pay your tax. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the Official Payments Corp. website at officialpayments.com, and use the jurisdiction code 1555. Official Payments Corp. charges a convenience fee for using this service.
- **Check or Money Order** – Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." **Do not send cash.** Write your SSN or ITIN and "2010 Form 540" or "2010 Form 540A" as applicable on the check or money order. Enclose, but **do not** staple, your payment with your tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2010 tax payment and any 2011 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover/Novus, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to Official Payments Corp. based on the amount of your tax payment.

Convenience Fee

- 2.50% of the tax amount charged (rounded to the nearest cent)
- Minimum fee: \$1

Example:

Tax Payment = \$754.00 Convenience Fee = \$18.85

When will my payments be effective?

Your payment is effective on the date you charge it.

What if I change my mind?

If you pay your tax liability by credit card and later reverse the credit card transaction, you may be subject to penalties, interest, and other fees imposed by the FTB for nonpayment or late payment of your tax liability.

How do I use my credit card to pay my income tax bill?

Once you have determined the type of payment and how much you owe, have the following ready:

- Your Discover/Novus, MasterCard, Visa, or American Express card
- Credit card number
- Expiration date
- Amount you are paying
- Your and your spouse's/RDP's SSN or ITIN
- First 4 letters of your and your spouse's/RDP's last name
- Taxable year
- Home phone number (including area code)
- ZIP Code for address where your monthly credit card bill is sent
- FTB Jurisdiction Code: 1555

Interest and Penalties

If you file your tax return or pay your tax after the due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 91 or increase the amount on line 94 by any penalty or interest amounts. Enter on Form 540, line 112 the amount of interest and penalties.

Line 112 (Form 540) – Interest and Penalties

Interest. Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15 days**, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest**.

Late Filing of Tax Return. If you do not file your tax return by October 17, 2011, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 17, 2011. The minimum penalty for filing a tax return more than 60 days late is \$100 or 100% of the balance due, whichever is less.

Late Payment of Tax. If you fail to pay your total tax liability by April 15, 2011, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. If you have paid at least 90% of the tax shown on the return by the original due date of the tax return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2011, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Penalties. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return, or California Individual Use Tax return.

Other Penalties. We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 113 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 94 less than \$500 (\$250 if married/RDP filing separately)?

Yes Stop. You are not subject to an estimated payment penalty.

No Continue. You may be subject to an estimated payment penalty.

Is line 94 less than 10% of the amount on line 48? Form 540 filers: this excludes the tax on lump-sum distributions on Form 540, line 34.

Yes Stop. You are not subject to an estimated payment penalty.

No You may be subject to an estimated payment penalty; get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See "Where To Get Income Tax Forms and Publications" on page 23.

If you complete one of these forms, attach it to the back of your Form 540/540A. Enter the amount of the penalty on line 113 and fill in the correct circle on line 113. Complete and attach the form if you claim a waiver, use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if you do not owe a penalty.

See "Important Due Dates" on page 2, for more information on estimated tax payments and how to avoid the underpayment penalty.

See the instructions for Form 540, line 114 for information about figuring your payment, if any.

Line 114 (Form 540) – Total Amount Due

Is there an amount on line 111?

Yes Add line 111, line 112, and line 113. Enter the result on line 114. For payment options, see line 111 instructions.

No Go to line 115.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Refund or No Amount Due

Line 115 (Form 540A) – Refund or No Amount Due

If you did not enter an amount on line 95 or line 110, enter the amount from line 93 on line 115. This is the amount that will be refunded to you. If it is less than \$1, attach a written statement to your Form 540A requesting the refund.

Subtract line 95 and line 110 from line 93. If the result is zero or more, enter the result on line 115. If the combined amount of line 95 and line 110 is more than line 93, enter the difference on line 111.

Line 115 (Form 540) – Refund or No Amount Due

Did you report amounts on line 95, line 110, line 112, or line 113?

No Enter the amount from line 93 on line 115. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 requesting the refund.

Yes Combine the amounts from line 95, line 110, line 112, or line 113. If the result is:

- More than line 93, subtract line 93 from the sum of line 95, line 110, line 112, and line 113 and enter the result on line 114. This is your total amount due. For payment options, see line 111 instructions.
- Less than line 93, subtract the sum of line 95, line 110, line 112, and line 113 from line 93 and enter on line 115. This is your refund amount.

Want a fast refund? Get your refund in 10 days or less when you e-file your tax return.

Direct Deposit (Refund Only)

Line 116 and Line 117 – Direct Deposit of Refund

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540/540A, line 116 and line 117. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration below.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

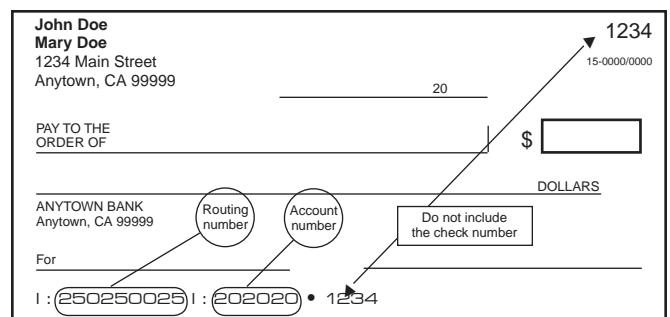

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 116 and line 117 must equal the total amount of your refund on line 115. If line 116 and line 117 do not equal line 115, the FTB will issue a paper check.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Sign Your Tax Return

You must sign your tax return in the space provided on Form 540, Side 3 or Form 540A, Side 2. If you file a joint tax return, your spouse/RDP must sign the tax return also.

Include your phone number and email address in case the FTB needs to contact you for information needed to process your tax return. By providing this information the FTB will be able to process your tax return or issue your refund faster.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other may be liable. See "Innocent Joint Filer Relief," on page 19.

Paid Preparer's Information. If you pay a person to prepare your Form 540/540A, that person signs and completes the area at the bottom of Form 540, Side 3 or Form 540A, Side 2 including an identification number. Effective January 1, 2011, the IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer does not have a PTIN, that person must provide a social security number (SSN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee. If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2010 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box you, and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, get form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2011 tax return. This is April 16, 2012, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee's name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, get form FTB 1144, Power of Attorney Pamphlet, and form FTB 3520, Power of Attorney Declaration, available at ftb.ca.gov. See "Where To Get Income Tax Forms and Publications" on page 63.

Additional Information

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the State Board of Equalization, you must report and pay the use tax due on your state income tax return. See the information below and the instructions for line 95 of your income tax return.

In general, you should pay California use tax on purchases made from out-of-state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax.
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

Complete the Use Tax Worksheet on page 14 to calculate the amount due.

Extensions to file. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Penalty. Failure to timely report and pay the use tax due may result in the assessment of penalties.

Changes in use tax reported. Do not file an Amended Income Tax Return (Form 540X) to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return contact the State Board of Equalization.

For assistance with your use tax questions, go to the State Board of Equalization's website at boe.ca.gov or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929. Income tax information is not available at this number.

Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

Deceased Taxpayers

A final return must be filed for a person who died in 2010 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or enter into another registered domestic partnership during 2010. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, or a copy of the death certificate when you file a tax return and claim a refund due.

Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get FTB Pub. 705, Innocent Joint Filer - Relief From Paying California Income Taxes, at ftb.ca.gov or call 916.845.7072, Monday - Friday between 8 a.m. to 5 p.m. except holidays.

Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To get a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income Tax or Fiduciary Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster; or you request copies from a field office that assisted you in completing your tax return. See "Where To Get Tax Forms and Publications" on page 23 to download or order form FTB 3516.

Mello-Roos

You cannot deduct Mello-Roos taxes if they are assessed to fund local benefits and improvements that tend to increase the value of your property. Mello-Roos taxes may appear on your annual county property tax bill with other deductible property taxes. You may only be able to deduct a portion of the total property tax shown on your bill.

For more information, you can:

- Contact your Mello-Roos District.
- Get federal Publication 17, Your Federal Income Taxes-Individuals, Chapter 22.

Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

If you are requesting direct deposit of a refund, make sure your account and routing information is correct. Your tax return can be transmitted to FTB by your preparer or electronic e-file service only after you sign form FTB 8453 or form FTB 8879. The preparer or electronic e-file service must provide you with:

- A copy of form FTB 8453 or FTB 8879.
- Any original Form(s) W-2, 592-B, 593, 1099-G, and other Form(s) 1099 that you provided.
- A paper copy of your California tax return showing the data transmitted to the FTB.

You cannot retransmit an e-filed tax return once we've accepted the original. You can correct an error only by completing Form 540X, Amended Individual Income Tax Return, and mailing the paper copy to us. See "Where To Get Income Tax Forms and Publications" on page 23.

Frequently Asked Questions

(Go to ftb.ca.gov for more frequently asked questions.)

1. What if I can't file by April 15, 2011, and I think I owe tax?

You must pay 100% of the amount you owe by April 15, 2011, to avoid interest and penalties. If you cannot file because you have not received all your Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals, on page 37. Mail it to the FTB with your payment by April 15, 2011, or pay online at ftb.ca.gov. Then, when you receive all your Form(s) W-2, complete and mail your tax return by October 17, 2011 (you must use Form 540A or Form 540).

2. I never received a Form W-2. What should I do?

204

If all of your Form(s) W-2 were not received by January 31, 2011, contact your employer. Only an employer issues or corrects a Form W-2. For more information, call 800.338.0505, select "Personal Income Tax," then "Frequently Asked Questions," and enter code **204** when instructed.

If you cannot get a copy of your Form(s) W-2, complete form FTB 3525, Substitute for Form W-2, Wage and Tax Statement, or Form 1099, Distributions from Pensions, Annuities, Retirement, or Profit Sharing Plans, IRAs, Insurance Contracts, etc. See "Where To Get Income Tax Forms and Publications" on page 23. For online wage and withhold information, go to ftb.ca.gov and search for **myftb account**.

3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

4. What do I do if I can't pay what I owe with my 2010 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrues and an underpayment penalty may be charged on the tax not paid by April 15, 2011, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. Do not mail it with your tax return.

The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

949

To order this form, go to ftb.ca.gov or call 800.338.0505, select "Personal Income Tax," then select "Forms and Publications," and enter code **949** when instructed.

610

For information on how to pay by credit card, go to ftb.ca.gov, or call 800.338.0505, select "Personal Income Tax," then select "Frequently Asked Questions," and enter code **610** when instructed.

5. How long will it take to get my refund?

112

If you e-file, you get the fastest possible refund. Your refund check is mailed within seven to ten calendar days (or if you request direct deposit, the refund posts to your checking or savings account within five to seven banking days) from the time the FTB receives your e-filed return. For more information about e-filing, go to ftb.ca.gov and search for **efile** or call 800.338.0505, select "Personal Income Tax," then select "Frequently Asked Questions," and enter code **112** when instructed.

If you do not e-file your tax return, you will receive your refund check within six to eight weeks after you file your tax return. If you request direct deposit, the refund posts to your account within six to eight weeks after you file your tax return.

6. I expected my refund by now. How can I check on the status?

Go to ftb.ca.gov and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service. See page 63 for more information.

7. I discovered an error on my tax return. What should I do?

If you discover that you made an error on your California income tax return after you filed it (paper or e-filed), use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X at ftb.ca.gov or call 800.338.0505 and enter code **908**. You cannot e-file an amended return.

8. The Internal Revenue Service (IRS) made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310
FRANCHISE TAX BOARD
PO BOX 1998
RANCHO CORDOVA CA 95741-1998

or Fax the information to 916.843.2269.

If you have a question **relating to the IRS audit adjustment** call 916.845.4028.

For general tax information or questions, call 800.852.5711.

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See "Order Forms and Publications" on page 63.

File Form 540X only if the change affected your California tax liability.

9. How long should I keep my tax information?

Requests for information regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period applies for California or federal tax returns related or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover items (i.e., net operating losses) or records needed to track deferred gains on a 1031 exchange.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available at ftb.ca.gov. You may also go to ftb.ca.gov and search for **myftb account** or call 800.852.5711, select "Personal Income Tax," then select option 6 to report a change of address. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California return.

11. Are all domestic partners required to file joint or separate tax returns under the new law?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

Instructions for California Schedule D (540)

California Capital Gain or Loss Adjustment

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Purpose

Use California Schedule D (540), California Capital Gain or Loss Adjustment, **only** if there is a difference between your California and federal capital gains and losses.

Get FTB Pub. 1001, for more information about the following:

- Disposition of property inherited before 1987.
- Gain on the sale or disposition of a qualified assisted housing development to low-income residents or to specific entities maintaining housing for low-income residents.

- Capital loss carryback.
- Capital gain on Cash for Clunkers rebates under the federal Car Allowance Rebate System (CARS) program.

Exclusion of Gain on Qualified Small Business Stock. California law (R&TC Section 18152.5) provides an exclusion (similar to the federal exclusion under IRC Section 1202) of 50% of the gain on the sale of qualifying small business stock originally issued after August 10, 1993, that was held for more than five years. However, for California purposes, at least 80% of the issuing corporation's payroll must be attributable to employment located within California, and at least 80% of the value of the corporation's assets must be used by the corporation to actively conduct one or more qualified trades or businesses in California.

If you have gain on the sale of qualified small business stock that qualifies for the federal Section 1202 exclusion, go to the specific line instructions for line 1b.

Installment Sales. If you sold property at a gain (other than publicly traded stocks or securities) and you will receive a payment in a tax year after the year of sale, you must report the sale on the installment method unless you elect not to do so. Get form FTB 3805E, Installment Sale Income. Also, use that form if you received a payment in 2010, for an installment sale made in an earlier year.

You may elect not to use the installment sale method for California by reporting the entire gain on Schedule D (540) (or Schedule D-1, Sale of Business Property, for business assets) in the year of the sale and filing your return on or before the due date.

At-Risk Rules and Passive Activity Limitations. If you dispose of (1) an asset used in an activity to which the at-risk rules apply, or (2) any part of your interest in an activity to which the at-risk rules apply, and the amounts in the activity for which you are not at risk, get and complete federal Form 6198, At-Risk Limitations, using California amounts to figure your California deductible loss under the at-risk rules. Once a loss becomes allowable under the at-risk rules, it becomes subject to the passive activity rules. Get form FTB 3801, Passive Activity Loss Limitations.

Specific Line Instructions

Line 1a – List each capital asset transaction.

Column (a) – Description of Property. Describe the asset you sold or exchanged.

Column (b) – Sales Price. Enter in this column either the gross sales price or the net sales price. If you received a Form 1099-B, Proceeds From Broker and Barter Exchange Transactions; Form 1099-S, Proceeds From Real Estate Transactions; or similar statement showing the gross sales price, enter that amount in column (b). However, if box 2 of Form 1099-B indicates that gross proceeds less commissions and option premiums were reported to the IRS, enter that net amount in column (b). If you entered the net amount in column (b), **do not** include the commissions and option premiums in column (c).

Column (c) – Cost or Other Basis. In general, the cost or other basis represents the cost of the property plus purchase commissions and improvements, minus depreciation, amortization, and depletion. Enter the cost or adjusted basis of the asset for California purposes. Use your records and California tax returns for years before 1987 to determine the California amount to enter in column (c). If you used an amount other than cost as the original basis, your federal basis may be different from your California basis. Other reasons for differences include:

- **Depreciation Methods and Property Expensing** – Before 1987, California law disallowed the use of accelerated cost recovery system (ACRS) and disallowed the use of an asset depreciation range 20% above or below the standard rate. Before 1999, California had different limits on the expensing of property under IRC Section 179. California law permits rapid write-off of certain property such as solar energy systems, pollution control devices, and property used in an Enterprise Zone, LAMBRA, Targeted Tax Area, or Los Angeles Revitalization Zone (LARZ).
- **Inherited Property** – The California basis of property inherited from a decedent is generally fair market value (FMV) at the time of death.
- **S Corporation Stock** – Prior to 1987, California law did not recognize S corporations; therefore, your California basis in S corporation stock may differ from your federal basis. In general, your California basis will be cost-adjusted for income, loss, and distributions received after 1986, while your stock was California S corporation stock. Your federal basis will be cost-adjusted for income, loss, and distributions received during the time your stock qualified for federal S corporation treatment. Effective for taxable years beginning on or after January 1, 2002, any corporation with a valid federal S corporation election is considered an S corporation for California purposes. Existing law already requires federal C corporations to be treated as C corporations for California purposes.
- **Special Credits** – California law authorizes special tax credits not allowed under federal law or computed differently under federal law. In many instances if you claimed special credits related to capital assets, you must reduce your basis in the assets by the amount of credit.

Other adjustments may apply differently to the federal and California basis of your capital assets. Figure the original basis of your asset using the California law in effect when the asset was acquired, and adjust it according to provisions of California law in effect during the period of your ownership.

Line 1b – R&TC Section 18152.5 Exclusion. If the gain qualifying for the IRC Section 1202 exclusion also qualifies for the California exclusion under R&TC Section 18152.5: Enter in column (a) "Section 18152.5 Exclusion." Complete column (b) and column (c) according to the instructions for line 1a. Enter in column (d) the amount of gain that qualifies for the California exclusion. Enter in column (e) the entire gain realized. **If the gain qualifying for the IRC Section 1202 exclusion does not qualify for the California exclusion:** Complete column (a), column (b), and column (c) according to the instructions for line 1a. Enter -0- in column (d) and enter the entire gain realized in column (e).

Line 2 – Net Gain or (Loss) Shown on California Schedule(s) K-1 (100S, 541, 565, and 568). Combine gain(s) and loss(es) from all California Schedule(s) K-1 (100S, 541, 565, and 568), Share of Income, Deductions,

Credits, etc. See California Schedule K-1 (100S, 541, 565, and 568) instructions for more information on capital gains and losses. Enter the net loss on line 2, column (d), or the net gain on line 2, column (e).

Line 3 – Capital Gain Distributions. If you receive federal Form 2439, Notice to Shareholder of Undistributed Long-Term Capital Gains, from a mutual fund, do not include the **undistributed** capital gain dividends on Schedule D (540). If you receive federal Form 1099-DIV, Dividends and Distributions, enter the amount of **distributed** capital gain dividends.

Line 6 – 2009 California Capital Loss Carryover. If you were a resident of California for all prior years, enter your California capital loss carryover from 2009. However, if you were a nonresident of California during any taxable year that generated a portion of your 2009 capital loss carryover, recalculate your 2009 capital loss carryover as if you resided in California for all prior years. Get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency, for more information. Enter your California capital loss carryover amount from 2009 on line 6.

Line 8 – Net Gain or Loss. If the amount on line 4 is more than the amount on line 7, subtract line 7 from line 4. Enter the difference as a gain on line 8.

If the amount on line 7 is more than the amount on line 4, subtract line 4 from line 7 and enter the difference as a negative amount on line 8.

Use the worksheet on this page to figure your capital loss carryover to 2011.

Line 9 – If line 8 is a net capital loss, enter the smaller of the loss on line 8 or \$3,000 (\$1,500 if you are married or an RDP filing a separate return).

Line 12a – Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540), line 13, column B.

For example:

Loss on line 10 is less than loss on line 11.

Federal loss on line 10 is	(\$1,000)
California loss on line 11 is	(\$2,000)
Difference between line 10 and line 11	\$1,000

Gain on line 10 and loss on line 11.

Federal gain on line 10 is	\$3,000
California loss on line 11 is	(\$3,000)
Difference between line 10 and line 11	\$6,000

Line 12b – Compare the amounts on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540), line 13, column C.

For example:

Loss on line 10 is more than loss on line 11.

Federal loss on line 10 is	(\$2,000)
California loss on line 11 is	(\$1,000)
Difference between line 11 and line 10	\$1,000

Loss on line 10 and gain on line 11.

Federal loss on line 10 is	(\$2,000)
California gain on line 11 is	\$5,000
Difference between line 10 and line 11	\$7,000

Instructions for Form FTB 3885A

Depreciation and Amortization Adjustments

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2009, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Purpose

Use form FTB 3885A, Depreciation and Amortization Adjustments, only if there is a difference between the amount of depreciation and amortization allowed as a deduction using California law and the amount allowed using federal law. California law and federal law have not always allowed the same depreciation methods, special credits, or accelerated write-offs. As a result, the recovery periods or the basis on which the depreciation is figured for California may be different from the amounts used for federal purposes. You will probably have reportable differences if all or part of your assets were placed in service:

- Before January 1, 1987. California disallowed depreciation under the federal accelerated cost recovery system (ACRS). Continue to figure California depreciation for those assets in the same manner as in prior years for those assets.
• On or after January 1, 1987. California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. California did not conform to all changes to federal law enacted in 1993; therefore, the California basis or recovery periods may be different for some assets.
• On or after September 11, 2001. If you claimed the 30% additional depreciation for federal purposes, California has not conformed to the

federal Job Creation and Worker Assistance Act of 2002 which allows taxpayers to take an additional first year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

Get FTB Pub. 1001 for more information on differences between California and federal law for the following items:

- Amortization of certain intangibles (IRC Section 197)
- Qualified Indian Reservation property
- Grapevines subject to Phylloxera or Pierce's disease
- Additional depreciation (IRC Section 168(k))
- Startup expenses (IRC Section 195)
- Asset expense election (IRC Section 179)

California generally conforms to the federal 2003 increase (IRC Section 280F) for the limitation on luxury automobile depreciation. In addition, SUVs and minivans built on a truck chassis are included in the definition of trucks and vans when applying the 6,000 pound gross weight limit. However, California does not conform to the federal increase to first-year depreciation for qualified vehicles placed in service in 2010.

Differences may also occur for other less common reasons, and the instructions for Schedule CA (540 or 540NR) list them on the line for the type of income likely to be affected. Get FTB Pub. 1001 for more information about figuring and reporting these adjustments.

If reporting a difference for assets related to a passive activity, get form FTB 3801, Passive Activity Loss Limitations, for more information about passive activities.

Do not use form FTB 3885A to report depreciation expense from federal Form 2106, Employee Business Expenses. Instead, see the instructions for Schedule CA (540 or 540NR), line 41.

Specific Line Instructions

Prepare and file a separate form FTB 3885A for each business or activity on your return that has a difference between California and federal depreciation or amortization. Enter the name of the business or activity in the space provided at the top of the form. If you need more space, attach additional sheets. However, complete Part II, Election to Expense Certain Tangible Property (IRC Section 179), only once.

Part I Identify the Activity as Passive or Nonpassive

Line 1 – Check the box to identify the activity as passive or nonpassive. A passive activity is any activity involving the conduct of any trade or business in which you did not materially participate. Get form FTB 3801 for more information.

If the activity is passive, use this form as a worksheet to figure the depreciation adjustment to carry to form FTB 3801. Beginning in 1994, and for federal purposes only, rental real estate activities of persons in real property business are not automatically treated as passive activities. California did not conform to this provision.

Part II Election To Expense Certain Tangible Property

If you qualify, you may elect to expense part of the cost of depreciable personal property used in your trade or business and certain other property described in federal Publication 946, How to Depreciate Property. To qualify, you must have purchased property, as defined in the IRC Section 179(d)(2), and placed it in service during 2010, or have a carryover of unused cost from 2009. If you elect this deduction, you must reduce your California depreciable basis by the IRC Section 179 expense.

Although federal law increased the IRC Section 179 expense to \$500,000, under California law, the maximum deduction allowed for 2010 is \$25,000.

Complete the worksheet in the next column to figure IRC Section 179 expense for California. Include all assets qualifying for the deduction because the limit applies to all qualifying assets as a group rather than to each asset individually. **Refer to federal Form 4562, Depreciation and Amortization, for more information.**

Part III Depreciation

Line 3 – Complete column (a) through column (f) for each tangible asset or group of assets placed in service during the tax year. Use the California basis for assets on which you elected to take the Section 179 deduction. Payment for Automatic Extension for Individuals

General Information

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a one percent noncompliance penalty. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**.

Use form FTB 3519, Payment for Automatic Extension for Individuals, **only** if both of the following apply:

- You cannot file your 2010 return by April 15, 2011. Due to the federal Emancipation Day holiday on April 15, 2011, tax returns and payments received on April 18, 2011 will be considered timely.
Note: Fiscal Year Filers, your return is due the 15th day of the 4th month following the close of your fiscal year.
- You owe tax for 2010.

When you file your 2010 return, you can **e-file** or **CalFile**. Go to ftb.ca.gov and search for **e-file options**. If you use form FTB 3519, you **may not** file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax. If you **do not** owe tax, **do not** complete or mail form FTB 3519. However, file your return by October 17, 2011. If you owe tax, choose one of the following payment options:

- Web Pay:** To make a payment online or to schedule a future payment (up to one year in advance), go to ftb.ca.gov and search for **web pay**. **Do not** mail form FTB 3519 to the FTB.

- Credit Card:** Use your major credit card. Call 800.272.9829 or go to officialpayments.com, use code 1555. Official Payments Corp. charges a convenience fee for using this service. **Do not** mail form FTB 3519 to the FTB.
- Check or Money Order:** Using black or blue ink, complete your check or money order and the payment form below, mail both to the "Franchise Tax Board." Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Penalties and Interest

If you fail to pay your total tax liability by April 15, 2011, you will incur a late payment penalty plus interest. If you pay at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2011, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519. If you do not file your tax return by October 17, 2011, you will incur a late filing penalty plus interest from the original due date of the return. For Fiscal Year Filers, your tax return is due the 15th day of the 10th month following the close of your fiscal year.

Taxpayers Residing or Traveling Outside the USA

If you are residing or traveling outside the USA on April 15, 2011, the deadline to file your return and pay the tax is June 15, 2011. Interest will accrue from the original due date (April 15, 2011) until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2011. To avoid any late-payment penalties, pay your tax liability by June 15, 2011. When filing your tax return, attach a statement to the front indicating that you were "Outside the USA on April 15, 2011."

2011 Instructions for Form 540-ES Estimated Tax For Individuals

General Information

Same-Sex Married Couples – For information regarding estimate tax payments, get 2010 FTB Pub. 776, Tax Information for Same-Sex Married Couples.

Installment Payments – Installments due shall be thirty percent of the required annual payment for the 1st required installment, forty percent of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and thirty percent of the required annual payment for the 4th required installment.

You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. Individuals who do not send the payment electronically will be subject to a one percent noncompliance penalty. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information go to ftb.ca.gov and search for **mandatory epay**.

A Purpose

Use Form 540-ES, Estimated Tax for Individuals, and the 2011 Estimated Tax Worksheet, to determine if you owe estimated tax for 2011 and to figure the required amounts. Estimated tax is the tax you expect to owe in 2011 after subtracting the credits you plan to take and tax you expect to have withheld.

If you need to make a payment for your 2010 tax liability or make a separate payment for any balance due on your 2010 tax return, use form FTB 3519, Payment for Automatic Extension for Individuals.

Certain taxpayers are limited in their use of the prior year's tax as a basis for figuring their estimated tax. See paragraph C below for more information. Check for estimated payments we've received at ftb.ca.gov and search for **myftb account**.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer, or by calling EDD at 888.745.3886. You can download the Form DE 4 from EDD's website at edd.ca.gov or go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Allowance Certificate.

B Who Must Make Estimated Tax Payments

Generally, you must make estimated tax payments if you expect to owe at least \$500 (\$250 if married/RDP filing separately) in tax for 2011 (after subtracting withholding and credits) and you expect your withholding and credits to be less than the **smaller** of:

1. 90% of the tax shown on your 2011 tax return.
2. The tax shown on your 2010 tax return including AMT.

Note:

- You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2011 and did not have a California tax liability in 2010, see Section C for more information.
- If you are a military servicemember not domiciled in California, do not include your military pay in your computation of estimated tax payments. If you are the nonmilitary spouse of a servicemember you may or may not need to include your pay in your computation of estimated tax payments. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

If you and your spouse/RDP paid joint estimated tax payments, but are now filing separate income tax returns, either of you may claim all of the amount paid, or you may each claim part of the joint estimated payments. If you want the estimated tax payments to be divided, notify the FTB before you file the income tax returns so that the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers. The statements should be sent to:

JOINT ESTIMATE CREDIT ALLOCATION MS F225, TAXPAYER SERVICES CENTER, FRANCHISE TAX BOARD, PO BOX 942840, SACRAMENTO CA 94240-0040

C Limit on the Use of Prior Year's Tax

Individuals who are required to make estimated tax payments, and whose 2010 California adjusted gross income is more than \$150,000 (or \$75,000 if married/RDP filing separately), must figure estimated tax based on the lesser of 90% of their tax for 2011 or 110% of their tax for 2010 including AMT. This rule does not apply to farmers or fishermen.

Taxpayers with 2011 California adjusted gross income equal to or greater than \$1,000,000 (or \$500,000 if married/RDP filing separately), must figure estimated tax based on their tax for 2011.

D When to Make Your Estimated Tax Payments

Pay your estimated payments by the dates shown below:

1st payment April 15, 2011* 2nd payment June 15, 2011
3rd payment September 15, 2011 4th payment January 17, 2012

*Due to the federal Emancipation Day holiday on April 15, 2011, tax returns and payments received on April 18, 2011 will be considered timely.

Filing an Early Return In Place of the 4th Installment. If you file your 2011 tax return by January 31, 2012, and pay the entire balance due, you do not have to make your last estimated tax payment. In addition, you will not owe a penalty for the fourth installment.

Annualization Option. If you do not receive your taxable income evenly during the year, it may be to your advantage to annualize your income. This method allows you to match your estimated tax payments to the actual period when you earned the income. You may use the annualization schedule included with the 2010 form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries. Substitute the percentages on line 15 with 27%, 63%, 63%, and 90%.

Farmers and Fishermen. If you are a farmer or fisherman, and at least two-thirds of your 2010 and 2011 gross income is from farming or fishing, you may do either of the following:

- Pay all of your estimated tax by January 17, 2012.
- File your tax return for 2011 on or before March 1, 2012, and pay the total tax due. In this case, you need not make estimated tax payments for 2011. Use the 2010 form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen, to determine if you paid the required estimated tax. If the estimated tax is underpaid, attach the completed form FTB 5805F to the back of your return.

Fiscal Year. If you file your return on a fiscal year basis, your due dates will be the 15th day of the 4th, 6th, and 9th months of your fiscal year and the 1st month of the following fiscal year. If the due date falls on a weekend, or legal holiday, use the next business day.

Mental Health Services Tax. If your taxable income or nonresident CA source taxable income is more than \$1,000,000, complete the worksheet below.

A. Taxable income from Forms 540/540A, line 19, or Long Form 540NR, line 35	
B. Less:	\$(1,000,000)
C. Subtotal	
D. Multiply line C by 1%	x .01
E. Mental Health Services Tax – Enter this amount on line 17 of the 2011 CA Estimated Tax Worksheet, on the next page	

E How to Use Form 540-ES Payment Form

Use the CA Estimated Tax Worksheet and your 2010 California income tax return as a guide for figuring your 2011 estimated tax. Be sure that the amount shown on line 21 of the CA Estimated Tax Worksheet has been reduced by any overpaid tax on your 2010 tax return which you chose to apply toward your 2011 estimated tax payment.

Note:

What's New

Conformity

For updates regarding the following federal acts, go to ftb.ca.gov and search for **conformity**.

- Health Care and Education Reconciliation Act of 2010
- Patient Protection and Affordable Care Act
- Small Business Jobs Act of 2010

Charitable Contributions for 2010 Haiti Earthquake Disaster – California law conforms to federal law which allows a 2009 charitable contribution deduction for cash contributions made after January 11, 2010, and before March 1, 2010, for the relief of victims in areas affected by the earthquake in Haiti on January 12, 2010.

Mortgage Forgiveness Debt Relief Extended

California law conforms, with modifications, to federal mortgage forgiveness debt relief for discharges occurring on or after January 1, 2009. Federal law limits the amount of qualified principal residence indebtedness to \$2,000,000 (\$1,000,000 for married filing separate). See federal Publication 544, Sales and Other Disposition of Assets, and federal Publication 4681, Canceled Debts, Foreclosures, Repossessions, and Abandonments, for more information. California law limits the amount of qualified principal residence indebtedness to \$800,000 (\$400,000 for married/RDP filing separate) and debt relief to \$500,000 (\$250,000 for married/RDP filing separate).

Hokie Spirit Memorial Fund Exclusion

California law conforms to federal law to exclude from income any amount received from the Hokie Spirit Memorial Fund for the events at Virginia Polytechnic Institute and State University on April 16, 2007.

Income Exclusion of Federal Energy Grants

California law conforms to federal law to exclude from income any federal energy grants provided in lieu of federal energy credits.

Tax Computation for Certain Children with Investment Income

For taxable years beginning on or after January 1, 2010, California conforms to the provision of the Small Business and Work Opportunity Tax Act of 2007 which increased the age of children to 18 and under or a student under age 24 for elections made by parents reporting their child's interest and dividends.

Net Operating Loss – For taxable years beginning in 2010 and 2011, California suspended the net operating loss (NOL) carryover deduction. Taxpayers may continue to compute and carryover NOLs during the suspension period. However, taxpayers with modified adjusted gross income of less than \$300,000 or with disaster loss carryovers are not affected by the NOL suspension rules.

Also, California modified the NOL carryback provision. For more information, see form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations — Individuals, Estates, and Trusts.

Income Exclusion for In-Home Supportive Services (IHSS) Supplementary Payments

For taxable years beginning on or after January 1, 2010, California law allows an exclusion from gross income for IHSS supplementary payments received by IHSS providers.

General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Registered Domestic Partners (RDP) – Under California law, RDPs must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Same-Sex Married Couples (SSMCs) – Under California law, SSMCs must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. For more information, get FTB Pub. 776, Tax Information for Same-Sex Married Couples.

Same-Sex Married Couples and Registered Domestic Partners – SSMCs and RDPs will compute their limitations based on the combined federal adjusted gross income (AGI) of each spouse's or partner's individual tax return filed with the Internal Revenue Service (IRS).

For column A, line 7 through line 21, and line 23 through line 35, combine your federal amounts from each spouse's or partner's individual federal tax return. For more information on SSMCs, get FTB Pub. 776, or RDPs, get FTB Pub. 737.

The combined federal AGI used to compute limitations is different from the recalculated federal AGI used on Form 540, line 13. In situations where SSMCs have no SSMC adjustments or RDPs have no RDP adjustments, these amounts may be the same.

Military Personnel – Servicemembers domiciled outside of California, and their spouses/RDPs, may exclude the servicemember's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay as California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Subtract line 36 from line 22.

Column B and Column C — Subtractions and Additions

Use these columns to enter subtractions and additions to the federal amounts in column A that are necessary because of differences between California and federal law. Enter all amounts as positive numbers unless instructed otherwise.

You may need one or more of the following FTB publications to complete column B and column C:

- 1001, Supplemental Guidelines to California Adjustments
- 1005, Pension and Annuity Guidelines
- 1031, Guidelines for Determining Resident Status

To get forms and publications, go to ftb.ca.gov or see page 23 of your Form 540/540A Personal Income Tax Booklet.

Line 7 – Wages, Salaries, Tips, etc.

Generally, you will not make any adjustments on this line. If you did not receive any of the following types of income, make no entry on this line in either column B or column C.

Active duty military pay. Special rules apply to active duty military taxpayers. Get FTB Pub. 1032 for more information.

Sick pay received under the Federal Insurance Contributions Act and Railroad Retirement Act. California excludes this item from income. Enter in column B the amount of these benefits included in the amount in column A.

Ridesharing fringe benefit differences. Under federal law, qualified transportation benefits are excluded from gross income. Under the R&TC, there are no monthly limits for the exclusion of these benefits and California's definitions are more expansive. Enter the amount of ridesharing benefits received and included in federal income on line 7, column B.

Exclusion for compensation from exercising a California Qualified Stock Option (CQSO). To claim this exclusion:

- Your earned income is \$40,000 or less from the corporation granting the CQSO.
- The market value of the options granted to you must be less than \$100,000.
- The total number of shares must be 1,000 or less.
- The corporation issuing the stock must designate that the stock issued is a CQSO at the time the option is granted.

If you included an amount qualifying for this exclusion in federal income, enter that amount in column B.

Employer health savings account (HSA) contribution. Enter the amount of any employer HSA contribution from federal Form W-2, box 12, code W on line 7, column C.

Income exclusion for employer-provided adoption benefits. California does not conform to the federal increase to the maximum exclusion amount for employer-provided adoption benefits. If you have taxable benefits on federal Form 8839, Qualified Adoption Expenses, line 27 that was entered on federal Form 1040, line 7, enter \$1,000 on line 7, column C.

Adult children not qualified for tax-free medical coverage. If you have medical coverage deduction through your employer and it includes your adult children not qualified for tax-free medical coverage, your employer should impute additional income for California on your federal Form W-2. Enter the imputed income on line 7, column C.

Income Exclusion for In-Home Supportive Services (IHSS) Supplementary Payments – If you are an IHSS provider who received IHSS supplementary

payments that was included in federal wages, enter the IHSS supplementary payments on line 7, column B.

Line 8 – Taxable Interest

If you did not receive any of the kinds of income listed below, make no entry on this line in either column B or column C.

Enter in column B the interest you received from:

- U.S. savings bonds (except for interest from series EE U.S. savings bonds issued after 1989 that qualified for the Education Savings Bond Program exclusion).
- U.S. Treasury bills, notes, and bonds.
- Any other bonds or obligations of the United States and its territories.
- Interest from Ottoman Turkish Empire Settlement Payments.
- Interest income from children under age 19 or students under age 24 included on the child's federal tax return and reported on the California tax return by the parent. For more information, get form FTB 3803, Parents' Election to Report Child's Interest and Dividends

Certain mutual funds pay "exempt-interest dividends." If the mutual fund has at least 50% of its assets invested in tax-exempt U.S. obligations and/or in California or its municipal obligations, that amount of dividend is exempt from California tax. The proportion of dividends that are tax-exempt will be shown on your annual statement or statement issued with Form 1099-INT, Interest Income.

Enter in column C the interest you identified as tax-exempt interest on your federal Form 1040 (or Form 1040A), line 8b, **and** which you received from:

- The federally exempt interest dividends from other states, or their municipal obligations and/or from mutual funds that do not meet the 50% rule above.
- Non-California state bonds.
- Non-California municipal bonds issued by a county, city, town, or other local government unit.
- Obligations of the District of Columbia issued after December 27, 1973.
- Non-California bonds if the interest was passed through to you from S corporations, trusts, partnerships, or Limited Liability Companies (LLCs).
- Interest or other earnings earned from a Health Savings Account (HSA) are not treated as taxed deferred. Interest or earnings in a HSA are taxable in the year earned.
- Interest on any bond or other obligation issued by the Government of American Samoa.
- Interest income from children under age 19 or students under age 24 included on the parent's federal tax return and reported on the California tax return by the child.

Make no entries in either column B or column C for interest you earned on Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporations (FHLMC) securities, or grants paid to low income individuals.

Get FTB Pub. 1001 if you received interest income from the following sources:

- Loans made in an enterprise zone (EZ) or the former Los Angeles Revitalization Zone (LARZ).
- Items listed above passed through to you from S corporations, trusts, estates, partnerships, or LLCs.

Line 9 – Ordinary Dividends

Generally, no difference exists between the amount of dividends reported in column A and the amount reported using California law. However, California taxes dividends derived from other states and their municipal obligations.

Add dividends received from the following and enter in column B:

- Dividend income from children under age 19 or students under age 24 included on the child's federal tax return and reported on the California tax return by the parent. For more information, get form FTB 3803.
- Dividend income from children under age 19 or students under age 24 included on the parent's federal tax return and reported on the California tax return by the child.

Add dividends received from the following and enter in column C:

- Controlled foreign corporation (CFC) dividends in the year distributed.
- Regulated investment company (RIC) capital gains in the year distributed.
- Distributions of pre-1987 earnings from an S corporation.

- Dividend income from children under age 19 or students under age 24 excluded on the child's federal tax return and reported on the California tax return by the parent.
- Dividend income from children under age 19 or students under age 24 excluded on the parent's federal tax return and reported on the California tax return by the child.

Get FTB Pub. 1001 if you received dividends from:

- Non-cash patronage dividends from farmers' cooperatives or mutual associations.
- A CFC.
- Distributions of pre-1987 earnings from S corporations.
- Undistributed capital gains for RIC shareholders.

Line 10 – Taxable Refunds, Credits, or Offsets of State and Local Income Taxes

California does not tax the state income tax refund received in 2010. Enter in column B the amount of state tax refund entered in column A.

Line 11 – Alimony Received

If you are a nonresident alien and received alimony not included in your federal income, enter the alimony on this line in column C. Otherwise, make no entry on this line.

Line 12 – Business Income or (Loss)

Adjustments to federal business income or loss you reported in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis used to figure California depreciation may be different from the amount used for federal purposes.

Adjustments are figured on form FTB 3885A, Depreciation and Amortization Adjustments, and are most commonly necessary because of the following:

- **Before January 1, 1987**, California did not allow depreciation under the federal accelerated cost recovery system. Continue to figure California depreciation for those assets in the same manner as prior years.
- **On or after January 1, 1987**, California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. Refer to the bulleted list below.

Use form FTB 3801, Passive Activity Loss Limitations, to figure the total adjustment for line 12 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule C (Form 1040), Profit or Loss From Business.

Use form FTB 3885A to figure the total adjustment for line 12 if you have:

- Only nonpassive activities which produce either gains or losses (or combination of gains and losses).
- Passive activities that produce gains.

Get FTB Pub. 1001 for more information about:

- Commercial Revitalization Deductions for Renewal Communities.

Line 13 – Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed below may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 13.

- Gain on the sale of qualified small business stock which qualifies for the gain exclusion under IRC Section 1202.
- Basis amounts resulting from differences between California and federal law in prior years.
- Gain or loss on stock and bond transactions.

- Capital loss carrybacks.
- Capital gain on Cash for Clunkers rebates under the federal Car Allowance Rebate System (CARS) program.

Line 14 – Other Gains or (Losses)

Generally, no adjustments are made on this line. However, the California basis of your other assets may differ from your federal basis due to differences between California and federal law. Therefore, you may have to adjust the amount of other gains or losses. Get Schedule D-1, Sales of Business Property.

Line 15 – IRA Distributions

Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA), depending on when you made your contributions to the IRA. Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005 for more information and worksheets for figuring the adjustment to enter on line 15, if any.

- Line 5, state and local income tax (including limited partnership tax and income or franchise tax paid by corporations), and State Disability Insurance (SDI) or state and local general sales tax.
- Line 7, new motor vehicle tax.
- Line 8, foreign income taxes.

Line 41 – Other Adjustments

Adoption-Related Expenses – If you deducted adoption-related expenses on your federal Schedule A (Form 1040) and are claiming the adoption cost credit for the same amounts on your Form 540, enter the amount of the adoption cost credit claimed as a negative number on line 41.

Mortgage Interest Credit – If you reduced your federal mortgage interest deduction by the amount of your mortgage interest credit (from federal Form 8396, Mortgage Interest Credit), increase your California itemized deductions by the same amount. Enter the amount of your federal mortgage interest credit as a positive number on line 41.

Nontaxable Income Expenses – If, on federal Schedule A (Form 1040), you claim expenses related to producing income taxed under federal law but not taxed by California, enter the amount as a negative number on line 41.

You may claim expenses related to producing income taxed by California law but not taxed under federal law by entering the amount as a positive number on line 41.

Employee Business Expense – If you completed federal Form 2106 or Form 2106-EZ, prepare a second set of forms reflecting your employee business expense using California amounts (i.e., following California law).

Generally, California law conforms with federal law and no adjustment is needed. However, differences occur when:

- Assets (requiring depreciation) were placed in service before January 1, 1987. Figure the depreciation based on California law.
- Federal employees were on temporary duty status. California does not conform to the federal provision that expanded temporary duties to include prosecution duties, in addition to investigative duties. Therefore, travel expenses paid or incurred in connection with temporary duty status (exceeding one year), involving the prosecution (or support of the prosecution) of a federal crime, should not be included in the California amount.

Compare federal Form 2106, line 10 or Form 2106-EZ, line 6 and the form completed using California amounts. If the federal amount is larger, enter the difference as a negative number on line 41. If the California amount is larger, enter the difference as a positive number on line 41.

Investment Interest Expense – Your California deduction for investment interest expense may be different from your federal deduction. Use form FTB 3526, Investment Interest Expense Deduction, to figure the amount to enter on line 41.

Gambling Losses – California lottery losses are not deductible for California. Enter the amount of California lottery losses shown on federal Schedule A (Form 1040) as a negative number on line 41.

Federal Estate Tax – Federal estate tax paid on income in respect of a decedent is not deductible for California. Enter the amount of federal estate tax shown on federal Schedule A (Form 1040) as a negative number on line 41.

Generation Skipping Transfer Tax – Tax paid on generation skipping transfers is not deductible under California law. Enter the amount of expenses shown on federal Schedule A (Form 1040) as a negative number on line 41.

State Legislator’s Travel Expenses – Under California law, deductible travel expenses for state legislators include only those incurred while away from their place of residence overnight. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

Qualified Charitable Contributions – Your California deduction may be different from your federal deduction. California limits the amount of your deduction to 50% of your federal adjusted gross income. Figure the difference

between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

Charitable Contribution Carryover Deduction – If deducting a prior year charitable contribution carryover, and the California carryover is larger than the federal carryover, enter the additional amount as a positive number on line 41.

Health Savings Account (HSA) Distributions – If you received a tax-free HSA distribution for qualified medical expenses, enter the qualified expenses paid that exceed 7.5% of federal AGI as an adjustment to itemized deductions. To determine the amount of the itemized deduction adjustment:

- Calculate the medical expense deduction for California.
- Calculate the medical expense deduction for federal.
- Subtract the federal amount from the California amount. Enter the amount on line 41, as a positive amount.

Carryover Deduction Appreciated Stock Contributed to a Private Foundation prior to January 1, 2002 – If deducting a charitable contribution carryover of appreciated stock donated to a private operating foundation prior to January 1, 2002, and the fair market value allowed for federal purposes is larger than the basis allowed for California purposes, enter the difference as a negative number on line 41.

Interest on Loans from Utility Companies – Taxpayers are allowed a tax deduction for interest paid or incurred on a public utility company financed loan that is used to purchase and install energy efficient equipment or products, including zone-heating products for a qualified residence located in California. Federal law has no equivalent deduction. Enter the amount as a positive number on line 41.

Private Mortgage Insurance (PMI) – If you took the deduction on federal Schedule A (Form 1040), line 13, then subtract the same amount on line 41.

Claim of Right – If you had to repay an amount that you included in your income in an earlier year, because at the time you thought you had an unrestricted right to it, you may be able to deduct the amount repaid from your income for the year in which you repaid it. Or, if the amount you repaid is more than \$3,000, you may take a credit against your tax for the year in which you repaid it, whichever results in the least tax.

If the amount repaid was not taxed by California, then no deduction or credit is allowed.

If you claimed a credit for the repayment on your federal tax return and are deducting the repayment for California, enter the allowable deduction as a positive amount on Schedule CA (540), line 41. Deductions of \$3,000 or less are subject to the 2% federal AGI limit.

If you deducted the repayment on your federal tax return and are taking a credit for California, enter the amount of the federal deduction as a negative amount on Schedule CA (540), line 41. To help you determine whether to take a credit or deduction, see the Repayment section of federal Publication 525, Taxable and Nontaxable Income. Remember to use the California tax rate in your computations. If you choose to take the credit instead of the deduction for California, add the credit amount on line 79, the total payment line, of the Form 540. To the left of the total, write "IRC 1341" and the amount of the credit.

Certain disaster losses – Federal law allows an exception for casualty and theft losses within certain disaster areas. For federal, these losses are not subject to the 10% of federal AGI limitation. California does not conform. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

Personal Casualty and Theft Losses – For 2010, federal law limits each personal casualty or theft loss to the excess of the loss over \$500. California does not conform to the amount of the limitation. California limits each personal casualty or theft loss to the excess of the loss over \$100. In addition, for both federal and California, the 10% of AGI limit continues to apply to the net loss. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a positive number on line 41.

Charitable Contributions for 2010 Haiti Earthquake Disaster – California conforms to the federal law which allows a 2009 charitable contribution deduction for cash contributions made after January 11, 2010, and before

March 1, 2010, for the relief of victims in areas affected by the earthquake in Haiti on January 12, 2010. You may claim the deduction on your 2009 or 2010 California tax return, but not both.

To claim the deduction, you may choose one of the following three options:

- If you choose to claim the deduction in the same year for both federal and California, no California adjustment is required.
- If you claimed the deduction on your 2009 California tax return but choose to claim the deduction on your 2010 federal tax return, enter the deduction as a negative amount on line 41.
- If you choose to claim the deduction on your 2010 California tax return but claimed the deduction on your 2009 federal tax return, enter the deduction as a positive amount on line 41.

Adult Children Health Insurance Deduction – Federal law allows health insurance paid for adult children under age 27 that exceed 7.5% of federal AGI as an itemized deduction. For California, adult children who provide more than one-half of their own financial support in the year are not qualified for the health insurance deduction. If your federal medical expense deduction includes a health insurance deduction for your adult children and your adult children provide more than one-half of their own financial support in the year, you must adjust your medical deduction for California.

- Calculate the medical expense deduction for California by excluding the health insurance paid for your non qualified adult children.
- Subtract the California amount from the federal amount. Enter the difference on line 41, as a negative amount.

Instructions for Form FTB 3506

Child and Dependent Care Expenses Credit

General Information

Attach the completed form FTB 3506, Child and Dependent Care Expenses Credit, to your Form 540/540A, California Resident Income Tax Return, or Long Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the child and dependent care expenses credit.

Registered Domestic Partners (RDP) – Under California law, RDPs must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP will filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

You may qualify to claim the 2010 credit for child and dependent care expenses, if you (and your spouse/RDP) paid someone in California to care for your child or other qualifying person while you worked or looked for employment. You must have earned income to do so. If you qualify to claim the credit, use form FTB 3506 to figure the amount of your credit.

If you received dependent care benefits for 2010 but do not qualify to claim the credit, you are not required to complete form FTB 3506. For additional definitions, requirements, and instructions, get federal Form 2441, Child and Dependent Care Expenses.

B Differences in California and Federal Law

The differences between California and federal law are as follows:

- California allows this credit only for care provided in California.
- If you were a nonresident, you must have earned wages from working in California or earned self-employment income from California business activities.
- Federal adjusted gross income must be \$100,000 or less to qualify for the California credit.
- The California credit is a percentage of the federal credit as modified by California law.
- The California credit is refundable.
- Same-sex married couples (SSMCs) and RDPs may file a joint California return and claim this credit. For more information, get FTB Pub. 776, Tax Information for Same-Sex Married Couples, or FTB Pub. 737.

C Qualifications

You may take the credit if **all eight** of the following apply.

1. If you are married or an RDP, you must file a joint return. For an exception, see Section E, Married Persons or RDPs Filing Separate Returns, on page 54.
2. Care must be provided in California for one or more qualifying persons. See Section D, Qualifying Person Defined, on this page.
3. You paid for care so you (and your spouse/RDP) could work or look for work. However, if you did not find a job and have no earned income, you do not qualify for the credit. If your spouse/RDP was a student or disabled, see the instructions for Part III, line 5, on page 56.
4. You (and your spouse/RDP) must have earned income (wages or self-employment income) during the year. See the instructions for Part III, line 4, on page 55 for more information on earned income.
5. You and the qualifying person(s) live in the same home for more than half the year.

6. The person who provided care was not your spouse/RDP, the parent of your qualifying child, or a person for whom you can claim a dependent exemption. If your child provided the care, the child must have been age 19 or older by the end of 2010.
7. You report the required information about the care provider(s) in Part II, line 1, and the information about the qualifying person(s) in Part III, line 2.
8. Your federal adjusted gross income is \$100,000 or less.

D Qualifying Person Defined

Rules for Most People	
A qualifying person is:	
1. A child under age 13 who meets the requirements to be your dependent as a Qualifying Child. A child who turned 13 during the year qualifies only for the part of the year when he or she was 12 years old.	
2. Your spouse/RDP who was physically or mentally incapable of self-care.	
3. Any person who was physically or mentally incapable of self-care and either:	
a. Was your dependent.	
b. Would have been your dependent except that:	
i. He or she received gross income of \$3,650 or more.	
ii. He or she filed a joint return.	
iii. You, or your spouse/RDP if filing a joint return, could be claimed as a dependent on someone else's 2010 return.	

Qualifying Child

A Qualifying Child is a child who meets **all** of the following tests:

- **Relationship Test** – The child must be your son, daughter, stepchild, adopted child, eligible foster child, brother, sister, half-brother, half-sister, stepbrother, stepsister, or a descendant of one of these. An adopted child includes a child who has been lawfully placed with you for legal adoption even if the adoption is not yet final. An eligible foster child must be placed with you by an authorized placement agency or by a court.
- **Age Test** – The child must be under 19 years of age or a full-time student under 24. (For the purposes of qualifying for the Child and Dependent Care Expenses Credit, the child must be under 13.)
- **Residency Test** – The child must live with you for more than half the year.
- **Support Test** – The child must not have provided more than half of his or her own support.
- **Joint Return Test** – The child must not have filed a joint federal or state income tax return with his or her spouse/RDP.
- **Citizenship Test** – The child must be a citizen or national of the U.S. or a resident of the U.S., Canada, or Mexico.

Tie-Breaker Rules: Qualifying Child of More Than One Person*	
If an individual may be claimed as a qualifying child by two or more taxpayers for the same taxable year, the following rules apply:	
If...	Then the child will be treated as the qualifying child of the...
Only one of the persons is the child's parent	Parent.
Both of the persons are the child's parent but they do not file a joint return	Parent with whom the child lived for the longer period of time during the year. If the child lived with both parents for the same amount of time, the parent who had the higher adjusted gross income for the year.
The child's parents can claim the child as a qualifying person but neither parent does	Person with the highest adjusted gross income (AGI) of all persons claiming the child, but only if that person's AGI is higher than the highest AGI of any of the child's parents.
No parent can claim the child as a qualifying child	Person with the highest adjusted gross income of all persons claiming the child.

*These rules assume all other qualifying child requirements are satisfied.

Divorced, RDP Terminated, Separated, or Never-Married Parents

For divorced, RDP terminated, separated, or never-married parents, special rules apply in determining if your child meets the requirements to be your qualifying person. When parents file separate returns, only one parent qualifies to claim a child as a qualifying person.

Even if both parents pay for child care for the same child, both parents cannot qualify for the credit. Some custody agreements designate which parent is entitled to the credit. However, the designated parent must meet all the qualifications in Section C, Qualifications, to claim the credit. To verify that your child meets the requirements to be your qualifying person, use the table below.

RULES FOR DIVORCED, RDP TERMINATED, SEPARATED, OR NEVER-MARRIED PARENTS		
IF	AND	THEN
<p>ALL four of the following apply:</p> <p>1. Your child was under 13 and/or physically or mentally incapable of self-care when the care was provided. Children turning 13 during the year qualify only for the part of the year they were 12 years old.</p> <p>2. One of the following applies</p> <p>a. You are divorced, legally separated, or have terminated a registered domestic partnership.</p> <p>b. You are separated under a written separation agreement.</p> <p>c. You and the other parent lived apart at all times during the last 6 months of the year. (This includes parents never married to each other.)</p> <p>3. One or both parents had custody of the child for more than half the year.</p> <p>4. One or both parents provided more than half the child's support for the year.</p>	<p>You were the custodial parent and you can claim the dependent exemption credit for the child.</p>	<p>The child is your qualifying person.</p>
	<p>You were the custodial parent and under the provisions of a decree of divorce, legal separation, termination of registered domestic partnership, or a written separation agreement, the noncustodial parent claimed the dependent exemption credit, or you signed a statement releasing the dependent exemption credit to the noncustodial parent.</p>	<p>The child is your qualifying person.</p>
<p>You are not the custodial parent.</p>	<p>The child is not your qualifying person.</p>	
<p>One or more of the four statements above do not apply.</p>		<p>Use the "Rules for Most People" on page 53, Section D.</p>

Custodial Parent and Noncustodial Parent. The custodial parent is the parent with whom the child lived for the greater number of nights during the year. The other parent is the noncustodial parent. If the child lived with each parent for an equal number of nights during the year, the custodial parent is the parent with the higher adjusted gross income.

Parent Works at Night. If, due to a parent's night-time work schedule, a child lives for a greater number of days, but not nights, with the parent who works at night, that parent is treated as the custodial parent. On a school day, the child is treated as living at the primary residence registered with the school.

E Married Persons or RDPs Filing Separate Returns

Generally, if you are married or an RDP, you must file a joint return to claim the credit. However, you can take the credit on your separate return if:

- You meet all three requirements below:
 - You lived apart from your spouse/RDP at all times during the last six months of 2010.
 - The qualifying person(s) lived in your home more than half of 2010.
 - You provided over half the cost of keeping up your home.
- You meet all the other qualifications in Section C, Qualifications.

F Nonresidents and Part-Year Residents

- You must complete and attach Schedule CA (540NR), California Adjustments – Nonresidents or Part-Year Residents, to your tax return, Long Form 540NR. If Part I of Schedule CA (540NR) is not fully completed, we may disallow your credit.
- Nonresidents must have earned income from California sources to qualify for the credit. A nonresident servicemember's military wages are considered earned income from a California source for the purpose of qualifying for the credit.
- Part-year residents must have earned income while a California resident or earned income from California sources while a nonresident to qualify for the credit.

G Military Personnel

For the purposes of this credit, active duty pay is considered earned income from California sources, regardless of whether the servicemember is domiciled in California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the credit requirements for spouses of military servicemembers. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Specific Line Instructions

Part I, Unearned Income and Other Funds Received in 2010

List the source and amount of **any** money you received in 2010 that is not included in your earned income (Part III, line 4 and line 5) but that was used to support your household. Part II, Persons or Organizations Who Provided the Care in California

Line 1

Complete line 1a through line 1g for each person or organization that provided the care in California. Only care provided in California qualifies for the credit. Use federal Form W-10, Dependent Care Provider's Identification and Certification, or any other source listed in the instructions for federal Form W-10 to get the information from your care provider. If your provider does not give you the information, complete as much of the information as possible and explain that your provider did not give you the information you requested.

If you do not give correct and complete information, we may disallow your credit unless you can show you used due diligence in trying to get the required information.

Lines 1a through Line 1c

Enter your California care provider's complete name (or business name), address, and telephone number (including the area code). If you do not give complete information, we may disallow your credit. We may contact your care provider to verify the information you provide.

If you were covered by your employer's dependent care plan and your employer furnished the care (either at your workplace or by hiring a care provider), enter your employer's name on line 1a. Next, enter "See W-2" on line 1b. Complete line 1c through line 1f. Then leave line 1g blank. But, if your employer paid a third party (not hired by your employer) on your behalf to provide care, you must provide information on the third party on line 1a through line 1g.

Line 1g

Enter the total amount you **actually paid** in 2010 to your care provider for care provided in California. Also include amounts your employer paid to a third party on your behalf. It does not matter when the expenses were incurred. **Do not** reduce this amount by any reimbursement you received.

We may ask you to provide proof of payment. Cash payments without verifiable documentation may not be accepted.

Part III, Credit for Child and Dependent Care Expenses

Line 2

Complete column (a) through column (e) for each qualifying person for whom care was provided in California. If claiming more than three qualifying persons, attach a sheet of paper to your return with the required information and write "see attached." Write your name and SSN or ITIN on the sheet.

Column (a)

Enter each qualifying person's name.

Column (b)

Enter each qualifying person's SSN. Verify that the name and SSN match the qualifying person's social security card to avoid the reduction or disallowance of your credit. If the person was born in, and later died in, 2010, and does not have a SSN, enter "Deceased" in column (b) and attach a copy of the person's birth and death certificates.

Enter the SSNs of the first two qualifying persons on Form 540, line 75 and line 76; Form 540A, line 75 and line 76; or Long Form 540NR, line 85 and line 86.

Column (c)

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided or if the qualifying person is disabled (physically or mentally incapable of self-care), check the "Yes" box. Incomplete information could result in a delay or disallowance of your credit.

Column (d)

If you shared custody of the qualifying person(s), enter the percentage of time you possessed physical custody during 2010. If you have 50% or less physical custody of your child, you **do not** qualify for the credit.

Column (e)

Enter the qualified expenses you incurred and paid in 2010 for the qualifying person(s). Include only the qualified expenses for care provided in California. If the child turned 13 years old during the year, include only the qualified expenses for the part of the year the child was 12 years old.

Do not include in column (e) qualified expenses:

- You incurred in 2010 but did not pay until 2011. You may be able to use these expenses to increase your 2011 credit.
- You incurred in 2009 but did not pay until 2010. Instead, see instructions for line 11.
- You prepaid in 2010 for care to be provided in 2011. These expenses may only be used to figure your 2011 credit.

A qualified expense does not include the amount you paid for education (school tuition) or the amount you received through a subsidy program.

Qualified Expenses are amounts paid for the care of your qualifying person while you worked or looked for work.

Line 5

Spouse/RDP Who Was a Student or Disabled

Your spouse/RDP was a **student** if he or she was enrolled as a full-time student at a school during any 5 months of 2010. A school does not include a night school or correspondence school.

Your spouse/RDP was **disabled** if he or she was not capable of self-care. Figure your spouse's/RDP's earned income on a monthly basis.

For each month your spouse/RDP was a full-time student or disabled, enter on line 5 the larger of the following:

- Your spouse's/RDP's actual earned income for that month.
- \$250 (\$500, if you have 2 or more qualifying persons).

If, in the same month, both you and your spouse/RDP qualified as either full-time students or disabled, only one of you receive treatment as having earned income of \$250 (or \$500) in that month. For any month that your spouse/RDP was not a full-time student or disabled, use your spouse's/RDP's actual earned income for that month.

Line 7

Use the chart below to determine the decimal amount to enter on line 7. Your federal adjusted gross income (AGI) is on Form 540, line 13; Form 540A, line 13; or Long Form 540NR, line 13. For military personnel domiciled outside of California, use your federal AGI less your military pay to determine the decimal amount to enter on line 7.

If your Federal AGI is:		The decimal amount on Line 7 is:

Line 9

Use the chart below to determine the decimal amount to enter on line 9. For military personnel domiciled outside of California, use your federal AGI less your military pay to determine the decimal amount to enter on line 9.

Line 11

If you had qualified expenses for care that was provided in 2009 that you paid for in 2010, you may be able to increase your credit for 2010. Complete the Worksheet on Side 2 of form FTB 3506. See Worksheet instructions on this page.

Part IV, Dependent Care Benefits

Line 13

Dependent care benefits are:

- Amounts an employer paid directly to you (or your spouse/RDP), or to your care provider for the care of your qualifying person(s), while you worked.
- A day-care facility provided by your employer.
- Generally deducted from your salary.
- Shown in box 10 of your 2010 Form(s) W-2.

For all other lines, follow specific line instructions on the form. For additional information, get federal Form 2441 or federal Publication 503, Child and Dependent Care Expenses.

How to Figure Tax Using the 2010 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540. Their taxable income on Form 540, line 19 is \$125,000.

Step 1: Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000. See the boxed range in the sample below.

If the amount on Form 540, line 19 is over –		But not over –	Enter on Form 540, line 31	of the amount over –
\$ 0	\$ 14,248		\$ 0.00 + 1.25%	\$ 0.00
14,248	33,780		178.10 + 2.25%	14,248
33,780	53,314		617.57 + 4.25%	33,780
53,314	74,010		1,447.77 + 6.25%	53,314
74,010	93,532		2,741.27 + 8.25%	74,010
93,532	AND OVER		4,351.84 + 9.55%	93,532

Step 2: They subtract the amount at the beginning of their range from their taxable income.

Example
\$125,000
- 93,532
\$ 31,468

Your Income
\$
-
\$

Step 3: They multiply the result from Step 2 by the percentage for their range.

\$31,468
x .0955
\$3,005.19

\$
x
\$

Step 4: They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$7,357 on Form 540, line 31.

\$4,351.84
+ 3,005.19
\$7,357.03
